## **Booty**

## Erykah Badu

Your booty might be bigga
But I still can pull your nigga
But I don't want him

Ya got sugar on your pita

But ya nigga thinks I'm sweeter

But I don't want himYa know the whole encyclopedia

But ya nigga thinks I'm deeper

But I don't want him

Got a whole lot a junk off in ya trunk

But ya nigga think I'm live and I keep him crunk

I don't want himHey, hey, hey

I don't want him cause of what he doing to you

And you don't need him

'Cause he ain't ready

See I don't want him

If he ain't made no arrangement with you

I hope you would've done the same thing for me tooYour kisses might be wetter

But your nigga likes mine better

But I don't want him

Ya got the beans and rice and the hot ho cakes

But ya nigga still over here in my plate

I don't want him

Ya got a P.hd, magna cum laude

But ya nigga love me with a GED

I don't want him

You the one with all the money

And he knows my money's funny

But I don't want himHey, hey, hey

I don't want him

'Cause of what he doing to you

And you don't need him

Cause the boy ain't readyGot ya pad all decked out fa sho

But ya niggas at my door, thought

I don't want him

Well you can do the butterfly and the tootsie roll

But ya nigga straight sprung off the way I stroll

I don't want him

Ya know the whole 120 an' a plus degree

But you can't keep ya guy up off his knees

I don't want him
Got a 9-5 and a 6-10
But ya nigga told me not to work again
I don't want himHey, hey, hey
I don't want him
'Cause of what he doing to you
And you don't need him
'Cause he ain't readyHey, hey, hey
I don't want him
If he ain't made no arrangement with you
I hope you would've done the same thing for me too
