Mr. Lonesome

Heather Myles

Mr. Lonesome, go cheer up somebody else
Mr. Lonesome, go cheer up somebody else
Ain't got nobody but I can do it better by myselfI've been sittin' here at home, watchin' TV till half past three
Wonderin' why my baby don't care about me
Mr. Lonesome, you been pretty lousy companyMr. Lonesome, go cheer up somebody else
Hey, Mr. Lonesome, go cheer up somebody else
Ain't got nobody but I can do it better by myselfMr. Lonesome, well, I got a new attitude
And I'm tradin' in these worn out workin' shoes
And I'm goin' down town in my alligator cowboy boots
