

Suavecito (Single Version)

Malo

Laaaa-ah-ah, la-la, laaaa-ah-ah
Laaaa-ah-ah, la-la, laaaa-ah-ah Never, I never meet a girl like you in my life
I never, no, no, yeah
I never meet a girl like you in my life The way that you hold me in the night
The way that you make things go right
Whenever you're in my arms
Girl, you're filling me with all your charms Suavecito, mi linda
Suavecito
The feelin' I have inside for you
Suavecito, mi linda
Suavecito The feelin', the feelin' that I have inside for you
'cause ever since the day I met you
I knew you that you were my dream come true
But I think I've found that day
Gonna make you mine in every way Suavecito, mi linda
(baby now)
Suavecito
That we've got the kind of love
Suavecito
I can't believe that it's really true
Suavecito
'cause you know that, girl, I love you
I need you
Love you
You
You
You All I want is you
If I can't have you
I don't know what to do La-la, laaaa-ah-ah
La-la, laaaa-ah-ah
Laaaa-ah-ah
La-la, laaaa-ah-ah Never, I never meet a girl like you in my life
I never, no, no, yeah
I never met a girl like you in my life
'cause I know we'll always be
Together just you and me
From here on you're gonna see
You'll be mine until eternity Suavecito, mi linda
(baby, now)

Suavecito
That we've got the kind of love
Suavecito, mi linda
I can't believe that it's really true
(suavecito)
'cause you know, girl, that I love you
(suavecito, mi linda)
(suavecito)
I need you
Suavecito
I love you
