

Go Cry On Somebody Else's Shoulder

Frank Zappa

Ray collins (lead vocals, harmonica, tambourine, finger cymbals, bobby pin, tweezers)

Jimmy carl black (drums)

Roy estrada (bass, guitarron, boy soprano)

Elliot ingber (lead guitar, rhythm guitar)

A year ago today

Was when you went away

But now you come back knockin' on my door

And you say you're back to stay,

But I say...

Go cry

On somebody else's shoulder

I'm somewhat wiser now

And one whole year older

I sure don't need you now

And I don't love you

Anymore

You cheated me baby,

And told some dirty lies about me

Fooled around with all those other guys

That's why I had to set you free

I sure don't need you now

And I don't love you

Anymore

A year ago today

You went away

And now you come back crying

Crying, crying: please, let me in

But I don't need you

No I don't love you anymore

So go lean on...go cry on

Somebody else's door

Go cry

On somebody else's shoulder

I'm somewhat wiser now

And one whole year older

I sure don't need you now

And I don't love you

Anymore (oh, my darling!)

(spoken:)
Go ahead and cry
Go ahead and let the tears fall outa your eye
Let 'em fall on your dress
Who cares if it makes a mess?
I gave you my high school ring
At the root beer stand
We had a teen-age love baby
I thought it was sharp
It was really so grand...but
You cheated me baby
And told some dirty lies about me
Fooled around with all those other guys
That's why I had to get my khakis pressed
I sure don't need you now
And I don't love you
Anymore
(spoken:)
Baby, I love you so much, darling
Why don't you dig me?
I dig you
But you don't dig me
I don't understand what it is
I had my car re-upholstered
I got my hair processed
I got a nice pompadour job on it
I bought a new pair of shoes
I got some new khakis and I met you
And we went out to get a coca-cola...
