

# Indeed It Is

## Field Music

The sheets are warm and the ink is dry  
The children are in their bed and everything's outside  
The moon is out and the tele's on  
The refrigerator is home and tea is yet to come  
She pops the call because it starts to rain And she ask if I'm alone again  
Is this a shot and indeed it is  
But if the act is at themselves  
Give the girls a little tiny more of this  
The match is off for us to go beside  
There is a victory that lends itself to such a night He takes a peek he takes a peek  
And he ask if this is a joke or just me  
Is this a down and indeed it is  
But if the parts that they write themselves  
Give the boys a little tiny piece of this La la la la la la la la la la la la la la  
La la la la la la la la la la la la la la la la  
La la la la la la la la la la la la la la la la
