

# In My Head

## Mayday Parade

Everybody's looking for love, oh  
Ain't that the reason you're at this club? Oh  
You ain't gonna find a dance with him, no  
Got a better solution for you, girl, oh Just stay with me now, say the word, and we'll go  
I'll be your teacher, I'll show you the ropes  
You'll see a side of love you've never known  
I can see it going down, going down In my head I see you all over me  
In my head you fulfill my fantasy  
In my head you'll be screaming, oh In my head it's going down  
In my head it's going down  
In my head Some dudes know all the right things to say, oh  
When it comes down to it, it's all just a game so  
Instead of talking, let me demonstrate, yeah  
Get down to business, let's skip foreplay, ay Just stay with me now, say the word and we'll go  
I'll be your teacher, I'll show you the ropes  
You'll see a side of love you've never known  
I can see it going down, going down In my head I see you all over me  
In my head you fulfill my fantasy  
In my head you'll be screaming, oh In my head it's going down  
In my head it's going down  
In my head You singing to me, baby in my head right now  
Everybody  
She'll be screaming out  
When it all goes down Just stay with me now, say the word and we'll go  
I'll be your teacher, I'll show you the ropes  
You'll see a side of love you've never known  
I can see it going down, going down In my head I see you all over me  
In my head you fulfill my fantasy  
In my head you'll be screaming, oh In my head it's going down  
In my head it's going down  
In my head I see you all over me  
In my head you fulfill my fantasy  
In my head you'll be screaming, oh In my head it's going down  
In my head it's going down  
In my head
