

I Give My Heart (To No One but You)

Malcolm Arnold

I give my heart to no one but you
To no-one but you
I'll for ever ever be true
This song I sing
To no-one but you
And I know that
My love is for ever

Destiny has taken you from me
And now my life is so sad and lonely
Time will prove that I love you only
For ever and ever my dear

Tho' we're apart
And I miss you so
This absence will make our hearts
Still fond aglow
I give my heart to no-one but you
I pray that we'll soon be together
