

# Magical

## Selena Gomez

Just drive I'm sick of talking  
We know where this is going  
I'm done, take me home  
I can't wait forever for you to get  
Yourself together, I rather be alone I'm so tired of pretending  
Just want a happy ending Wish I could put a spell on you  
Wish I could make you feel like I do  
Wouldn't that be sweet? So magical Wish I could blink and wave a wand  
Get everything that I ever wanted  
And put a spell on you, make it all come true You taught me what I know  
Guys like you come and go  
But I know things can change  
See my heart, maybe broken  
But that won't stop me hoping Wish I could put a spell on you  
Wish I could make you feel like I do  
Wouldn't that be sweet? So magical Wish I could blink and wave a wand  
Get everything that I ever wanted  
And put a spell on you, make it all come true I just wanna know what we should've done  
When I figured out what we could've become  
'Cause I know in my heart I know I'm not over you I just wanna go back and try it again  
Turn back the time, this isn't the end of us  
It isn't the end of us, it isn't the end of us, whoa Wish I could put a spell on you  
Wish I could make you feel like I do  
Wouldn't that be sweet? So magical Wish I could blink and wave a wand  
Get everything that I ever wanted  
And put a spell on you, make it all come true Wish I could put a spell on you  
Wish I could make you feel like I do  
Wouldn't that be sweet? So magical Wish I could blink and wave a wand  
Get everything that I ever wanted  
And put a spell on you, make it all come true
