

If I (Instrumental)

Aloe Blacc

Verse 1:

If i sang a song
would you sing with me?
said if i sang a song
song, would you sing with me?
if i danced a step
would you dance with me?
(dance with me)
if i shed a tear
would you cry with me?
and if i told a lie

would you fall with me
Chorus:
all of these things I do for you
give me a chance
to prove to you
my love is true

Verse 2:

if i had to go
would you leave with me?
said if i had to go
go, would you leave with me?
if i had no food
would you cook for me?
(cook for me)
if i told a joke
would you laugh with me?

and if i asked for you to change
would you change for me?

Chorus
all of these things i do for you,
give me a chance
to prove to you
all of these things i do for you
give me a chance to prove to you
my love is true
