

# Around the World

## Tammin Sursok

London, Paris and Rome Vegas onto LA  
5 a.m. flying in, following the day  
Different races and places  
I'm so far away from you Such a world open for me and so much to be  
It's time I packed up the camp site and toasted my dreams  
And the soundtrack is a radio, it's tuned into my life 'Cos a 'round the world ticket buys a million places  
Yeah, yeah, I wanna get out  
Could be so lucky but I'll take my chances  
'Cos I wanna be the girl in the movie who gets romances  
I'm goin' around the world People change, life goes on, who do I want to be  
It's time to wake up and face it  
What's my destiny, don't want to stand still  
And waste time live this crazy life 'Cos a 'round the world ticket buys a million places  
Yeah, yeah, I wanna get out  
Could be so lucky but I'll take my chances  
'Cos I wanna be the girl in the movie who gets romances  
I'm goin' around the world You know I'll miss you more than words can say  
Now it's something I have to do  
This is my journey and I'm sorry but I have to go now  
But I'll always love you, oh yeah Sweden, New York and Sydney, Milan, Mexico  
This time I'm playing the lead  
Just call me Miss Monroe  
Still I just wish, I wasn't so far away from you I'm going around the world  
To find you [unverified]  
I'm going around the world?
