Work That Thang

U.N.L.V.

Uh-oh uh-oh, uh-oh
Rule one, gotta have her shaped like a bottle
Two, then you gotta walk like a model
Three, then you gotta show me you can wobble
Work That ThangRule one, gotta have her shaped like a bottle
Two, then you gotta walk like a model
Three, then you gotta show me you can wobble
Work That ThangDon't trip, I'mma give ya the game like I'm supposed to
Late, let a true playa show ya
Don't front because ya know a nigga know ya
Heard that, you only give it up to soldja's
Runnin around, break bread lovin' the sound
Get down! Get-get-get down!
Strip sounds, make a bitch clown
We lounge, all around up-town
Stank bitch, rock dick in their mouth
Quick flip, hit the ass, touch her up in her mouth
???, Best dressed, plus I'm holdin it down
Sharp shave, catch the Braves, straight from up-town
Street bitch, pretty whipped, with the flow on the dex
Act bad, ????????????
Fat ass, nipples hard, and she's breakin the law
Givin me head in the truck, while she swallowin it upRule 1, gotta have her shaped like a bottle
Two, then you gotta walk like a model
Three, then you gotta show me you can wobble
Work That Thang
(x2)I gotta lotta dope bitches on my mind
But I won't allow bitches, to waste my time
After a couple of albums, I seek my prime
But I still got the urge to put 'em in my rhyme
That's right I'm ? and I gotta flex
Stupid bitch act bad, and I just holla next
I get a convex if you come to my complex
Act bad, don't wanna have sex
Gettin paid, feelin' played, ain't part of the strip
You better get money, stop tryin to flip
Won't ya pop, won't ya pop girl just don't stop
Just work that thang for ya boy lila
Big hips, big lips, thats a model bitch

Hit the flo, bend it over, and wobble it
Cocky built, cocky built, she makin me hot
Bend ya ass, back it up, break it down - booty bopRule 1, gotta have her shaped like a bottle
Two, then you gotta walk like a model
Three, then you gotta show me you can wobble
Work That Thang
(x2)Shake wit it, ya gotta have some bump wit it
Fuck wit it, if ya wanna you can bop wit it
I don't see nothin wrong...if ya wanna show that thong
Like Marvin Gaye, Let's Get It On
Everytime ya hear this song, work it baby like ya grown
Holla at ya boy, girl make it known
Like em tall, big fine, real cute in the face,
36 inch tits, 24 inch waist
Black skin, red bone, it don't matter to me
As long as ya fuck like ya ?
Tattoos on the back, right above the crack
