

I'm Like a Lawyer With the Way I'm Always Trying t

Fall Out Boy

Last year's wishes are this year's apologies
Every last time I come home
I take my last chance
To burn a bridge or two
I only keep myself this sick in the head
'Cause I know how the words get you (off)

We're the new face of failure
Prettier and younger, but not any better off
Bullet proof loneliness at best, at best

[Chorus]

Me and you setting in a honeymoon
If I woke up next to you
If I woke up next to you, me and you
Setting in a honeymoon
If I woke up next to you
If I woke up next to you

Collect the bad habits that you couldn't bear to keep
Out of the woods, but I love
A tree I used to lay beneath
Kid's teeth stained red
From a sour bottle, baby girl
With eyes the size of baby worlds

We're the new face of failure
Prettier and younger, but not any better off
Bullet proof loneliness at best, at best

[Chorus: x2]

The best way to make it through
With hearts and wrists in tact
Is to realize two out of three ain't bad, ain't bad

Me and you setting in a honeymoon
If I woke up next to you, if I woke up next to you
Me and you, setting in a honeymoon (Honeymoon)
Me and you, setting in a honeymoon

If I woke up next to you, if I woke up next to you
Me and you, setting in a honeymoon
If I woke up next to you honeymoon
