

What Will Become

Fear Factory

Become
Become We've cut in, cut out
The face of man
Cut in, cut out
The face of Time has given us no reason to live
Look to the future and you will see nothing What will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity We've lost hope, lost fate
We've lost our way
Lost time, lost grace
We search for Man has taken time from all that you see
Look in his eyes, see the future hold nothing What will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity, eternity What will become? What will we be?
When we can see our own eternity Man has taken time from all that you see
Look in his eye and you still will not see No, you will not see, no, you will not see
No, you will not see, no, you will not What will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity What will become? What will become?
What will become? What will become of us?
