

# Circle Of Life

Elton John

Umm hmm

Oh ho

Oh ho

Oh ho

Oh ho

From the day we arrive on the planet  
And blinking step into the sun  
There's more to be seen than can ever be seen  
More to do than can ever be done  
Some say, eat or be eaten  
Some say, live and let live  
But, all are agreed as they join the stampede  
You should never take more than you give  
In the circle of life  
It's the wheel of fortune  
It's the leap by faith  
It's the band of hope  
Till, we find our place  
On the path unwinding  
In the circle  
The circle of life  
Some of us fall by the wayside  
And some of us soar to the stars  
And some of us sail through our troubles  
And some have to live with the scars  
There's far too much to take in here  
More to find than can ever be found  
But the sun rollin' high  
Through the sapphire sky  
Keeps the great and small on the endless round  
In the circle of life  
It's the wheel of fortune  
It's the leap by faith  
It's the band of hope  
Till, we find our place  
On the path unwinding, yea  
In the circle  
The circle of life  
It's the wheel of fortune, yea

It's the leap by faith  
It's the band of hope  
Till, we find our place  
On the path unwinding, yea  
In the circle  
The circle of life  
On the path unwinding, yea  
In the circle  
The circle of life
