

Hey Girl

Damian Marley

Hey girl!
The way you make me feel
I know your love is real
You satisfy my every want and needHey boy!
You're always on my mind
We need to spend more time
Cause no one else can touch my heart insideShe look so good in her clothes
She get dressed and roll
So much man a fly down, Call the pest control
Confident princess, She address them bold
She nah manifest, Fi them sexual goal
She wish them the best, Rasta bless them soul
Her mouth nuh filthy, Like nuh cess tank pool
Smarter than most intellectual fools
Weh spend them time pon internet chat roomsShe said, "Junior you're a genius
You think with your mind and not your penis
Your gang of Jamaican Al Pacinos
Drinking Blue Mountain cappuccinos."
Will I say, "Baby you're the cleanest
The true definition of what my queen is
Nothing could've ever really come between us
Share the same room and Jah will feed us."Hey girl!
The way you make me feel
I know your love is real
You satisfy my every want and needHey boy!
You're always on my mind
We need to spend more time
Cause no one else can touch my heart insideWhy mi love her fi all she's worth
Sitn' fi gwan she wi start it first
Wheel and pop off, Supn' outta she purse
Whole heap a fool have to start disperse
Police ah come you see how fast she splurt
Can't find no sign of she khaki skirt
Light up the place like we spark these herbs
Love watch the way that she gwan
When a big tune a play pon the dance-hall set
Selector rewind every chance them get
The rhythm design fi she dance and sweat
All when morning ashine she nuh start dance yet

Man clear the line when she walk and step
 But she nah pay no mind to remarks them mek
 Always on time take a chance and bet
 She's a fine piece of mind with right mindset
 She said, "Junior you're a genius
 You think with you're mind and not you're peanuts
 Your gang of Jamaican Al Pacinos
 Drinking Blue Mountain cappuccinos."
 I say, "Baby you're the cleanest
 The true definition of what my queen is
 Nothing could've ever really come between us
 Share the same room and Jah will feed us." Hey girl!
 The way you make me feel
 I know your love is real
 You satisfy my every want and need Hey boy!
 You're always on my mind
 We need to spend more time
 Cause no one else can touch my heart inside So boom!
 Animal you never know from you born
 Places you only see when travel channel tun on
 Our means of trans-p is when the camel run on
 Camouflage and fatigue is our style and fashion
 "Fliminitti" weh she have and that is the attraction
 What she want is what she get and that is satisfaction
 Well she want it all night and not just fi a fraction
 Well too much long talking now a time fi action
 Well she love fi spend money but she rather spend time
 And if mi gone fi ten minute, She call me ten time
 If mi nuh pick up then she panic
 Then she call mi friend line
 Cause she want the veteran fi come and bend up her spine
 A substantial amount of African fly squat
 I have to sip a roots and bun a one night cap
 And she love the veteran, him always hit the right spot
 And the way she feel so good
 I have to bounce right back Hey girl!
 The way you make me feel
 I know your love is real
 You satisfy my every want and need Hey boy!
 You're always on my mind
 We need to spend more time
 Cause no one else can touch my heart inside
