

Get To You

James Morrison

So close to midnight
Under the streetlights
Leaving behind what I don't need
I've walked like a blind man
And my eyes are open
And you are the only place for me
Won't you hold on just for a while
Please don't give up on me tonight
Coz I'm on my way
I chased the day
Yeah I'll keep running all night
I just won't rest to catch my breath
I will run every red light
To get to you
No I will, get to you
No I will, get to you
I'll chase past the tail lights
Head for the skyline
Hoping that, that won't change your faith
I see them appearing
The cracks in the pavement
Running I pray I'm not too late
Won't you hold on just for a while
Please

Please don't give up on me tonight
Coz I'm on my way
I'll chase the day
Yeah I'll keep running all night
I just won't rest to catch my breath
I will run every red light
To get to you
No I will get to you
No I will get to you
I will
I'll get to you
Just hold on a little longer
I'll get to you
Oh just don't give up on me

I will get to
I will get to you
Coz I'm on my way
I chased the day
Yeah I'll keep running all night
I just wont rest to catch my breath
I will run every red light
To get to you
No I will get to you
No I will get to you
I will
I will get to
I will get to you
