(It's Bobby)[Chorus - Neon Hitch:]

I've been dancing with the devil, he was always good to me

And I've been walking in the shadow of a friendly enemy

But now I'm fucking broken, living in the moment

Shoulda known that you would bring me down

Yeah, I've been dancing with the devil, like, oh, oh, oh, ohThe Cash Cash make my ass bounce backIt's Bobby

I guess I'll play the bad guy

I swear I told you last time

You knew I wasn't good for you

But you swore you hit the jackpot

And you swore you struck gold

You were stepping on your toes

Always tripping over nothing

But nothing's on the floor

I swear the time it takes

To congregate and converseate

Just so things don't complicate

I just don't have the time of day

To try to pay attention to what your momma say

She just moving lips, moving lips

Talking 'bout stupid shit, stupid shit

And she don't know how to keep the man

But she can move them hips, move them hipsI've been dancing with the devil, he was always good to me

And I've been walking in the shadow of a friendly enemy

But now I'm fucking broken, living in the moment

Shoulda known that you would bring me down

Yeah, I've been dancing with the devil, like, oh, oh, oh, ohLet's go!

And I love the way shorty get low

And the way she bending over and she touching on her toes

Momma see me looking at her then she wanna pose

I don't even know why shawty got on any clothes

And you really know already what I'm gonna drop

Hella money, mami wanna come up to the top

I walk a little closer then I do my Diddy bop

I love the way she moving and the way she make it pop

And I'm loving the way that you're making it bounce and you're moving it, doing it

See the way that you're breaking it down and the way that you got them all losing it
Get it, lit, shake it, shake it
Bounce, turn up, level, level
Do it nasty like you out here dancing with the devilHey, hey, hey
I knew you were trouble, trouble, trouble
Don't wanna look you in the fa-a-ace
I knew you were trouble, trouble, troubleI've been dancing with the devil, he was always good to me
And I've been walking in the shadow of a friendly enemy
But now I'm fucking broken, living in the moment
Shoulda known that you would bring me down
Yeah, I've been dancing with the devil, like, oh, oh, oh, ohShoulda known that you would bring me down
Yeah, I've been dancing with the devil, like, oh, oh, oh, oh
[The Cash Cash make my ass bounce back]
(With the devil
W-w-w-with the devil
