

# China White (End Scene)

## He Is Legend

Daughter: "Mother, father where did you go?  
I hear the flowers as they speak below  
Someone help me, I'm so afraid  
The shape in the distance is coming my way""Oh, please come hold me," said the woman all covered in leaves  
"He's come again  
The man with the roses that grow from his hands"  
I'm your gardener"Mother, your poor hands  
The better to hold yours again  
And where did he go?"  
I am him, my love  
Watch my garden growLittle girl, standing there  
With your daddy's skin and your momma's hair  
I'll have you know I will feed them to my roses and you're next
