

A Smile Like Yours

Natalie Cole

Thought I'd seen everything there was to see in this world
Now I'm not so sure I've really seen anything at all
I thought life could show me no surprises
And then you came and showed me I was wrong
I have seen the bluest skies, rainbows that would make you cry
I have seen miracles that moved my soul, days that changed my life
I have seen the brightest stars shine like diamonds in the dark
Seen all the wonders of the world, but I've never seen a smile
As beautiful as yours
I thought I'd been everywhere, I've climbed a mountain so high
Sailed the sea, crossed the sky and still I was nowhere at all
Until that day, oh, you came to my senses
And your smile, it made sense out of it all

I have seen the bluest skies, rainbows that would make you cry
I have seen miracles that moved my soul, days that changed my life
I have seen the brightest stars shine like diamonds in the dark
Seen all the wonders of the world, but I've never seen a smile
As beautiful as ours
So beautiful, comes one time in a lifetime
A smile this beautiful, I've never dreamed I'd ever see
I have seen the bluest skies, rainbows that would make you cry
I've seen miracles moved my soul and days that changed my life
I have seen the brightest stars shine like diamonds in the dark
Oh, I've seen the wonders of this world but I've never seen a smile
So beautiful, oh, I've never seen a smile before as beautiful as yours
