Out Of The Void

Primal Scream

I can't slip my skin
I'm full of dust
I'm chemically imbalanced
I'm cancer
Bad astrology's the answerIf I were a child again
I'd be holy and not insane
I've got the fear
I can't get out of the void into the light
Out of the void into the lightI'm a scarecrow man
I'm made of rags and straw
I'm paranoid
I can't see or feel or speak
I just hangI'm so tired, I can't sleep
I'm so hungry, I can't eat
I've got the fear
I can't get out of the void into the light
Out of the void into the lightIf I were a child again
I'd be holy and not insane
I've got the fear
I can't get out of the void into the light
Out of the void into the light
