# Too Many Walls

## Cathy Dennis

Wish on a rainbow, is all I can do
Dream of the good times that we never knew
No late nights, alone in your arms
I'll dream onLiving in wonder, thinking of you
Still looking for ways to uncover the truth
You're so young, is all they can say
They don't knowIf I could change the way of the world
I'd be your girlToo many walls have been built in between us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is withinWatching the others, chances drift by
They'll never discover these feelings I hide
Deep inside I'm falling apart
All alone with a broken heartThinking in silence is all they allow
These words still unspoken may never be found
All these dreams one day will be mine
They cross my mindMy time has yet to come
Until thenToo many walls have been built in between us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is withinToo many walls have been built in between us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is within, yeahToo many walls have been built in between us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is withinToo many walls have been built in between us
Too many dreams have been shattered around us
If I seem to give up they'll still never win
Deep in my heart I know the strength is within
