Garden In The Rain

Diana Krall

T'was just a garden in the rain
Close to a little leafy lane
A touch of color 'neath skies of gray
The raindrops kissed the flowerbeds
The blossoms raised their leafy heads
A perfumed thank you
They seemed to say

Surely here was charm beyond
Compare to view
Maybe it was just that
I was there with you
T'was just a garden in the rain
But then the sun came out again
And sent us happily on our way
