Keep we eyes, to di top, and we solid as a rock
Lookin' forward, neva back, 'cause we solid as a rock
When my enemies surround me, I fear not
'Cause I'm solid as a rock
When my enemies surround me, I fear not
'Cause I'm solid as a rock
Many rise, many drop, but we solid as a rock
Dem did tink we would a drop, but we solid as a rock
Keep we eyes, to di top, and we solid as a rock
Lookin' forward, neva back, 'cause we solid as a rock
When we stand, firm, and we neva run, from

Many rise, many drop, but we solid as a rock
Dem did tink we would a drop, but we solid as a rock
Many try to test our block and we solid as a rock
Lookin' forward, neva back, 'cause we solid as a rock
