

This Love

Sarah Brightman

This love
This love is a strange love
A faded kind of day love
This loveThis love
I think I'm gonna fall again
And even when you held my hand
It didn't mean a thing
This loveThis love
Never has to say love
Doesn't know it is love
This loveThis love
Doesn't have to say love
Doesn't need to be love
Doesn't mean a thing
This loveThis love, aah
This strange love, strange love
This loveThis love, aah
This strange love, strange love
This loveThis love, aah
This strange love, strange love
This loveThis love, aah
This strange love, strange love
This loveThis love, aah
This strange love, strange love
This love
