

Whatâ€™s Your Damage (Battle Tapes Version)

Be Your Own Pet

I wake up in the morning
I've got you on my head
You stay over there
Until I go to bed I feel so evil
I know it's wrong
It doesn't matter
You're always gone When you're away
I feel okay
Once you're back
You give me a heart attack I can't tell
You feel the same
But all I've got is
You on my brain It's all happening at the wrong
(Wrong time)
I want that day to come when you'll be mine
(You'll be mine)
It's just not fair the way it works
(The way it works)
'Cause I want you so bad inside it hurts
(Inside it hurts) I wake up in the morning
I've got you on my head
You stay over there
Until I go to bed I feel so evil
I know it's wrong
It doesn't matter
You're always gone When you're away
I feel okay
Once you're back
You give me a heart attack I can't tell
You feel the same
But all I've got is
You on my brain It's all happening at the wrong
(Wrong time)
I want that day to come when you'll be mine
(You'll be mine)
It's just not fair the way it works
(The way it works)
'Cause I want you so bad inside it hurts
(Inside it hurts) If you want me give me a sign

When you let me know
I'll tell never mindIf you want me give me a sign
When you let me know
I'll tell never mindIt's all happening at the wrong
(Wrong time)
I want that day to come when you'll be mine
(You'll be mine)
It's just not fair the way it works
(The way it works)
'Cause I want you so bad inside it hurts
(Inside it hurts)If you want me give me a sign
If you want me give me a sign
If you want me give me a sign
