## Mindless Self Indulgence

You are my reason for living  
Fucking myself is my main excuse  
For getting bruised and avoiding you  
It's my own fault that I tied the noose  
'Cause I cannot love what I want to abuse  
Ooh, ooh, ooh me in this  
Old dream and this old me  
In this ahh this ahh all this ahh all ahh  
(ah ah ah ah) I screwed you to love myself  
Who I was was who felt me up  
It's my own fault that I tied the noose  
'Cause I cannot love what I want to abuse
