Fight to Unite

Youth Brigade

there was a time not long ago when we'd get shit, everywhere we'd go but times have changed and so have we we're creeping up on society stop complaining don't you know we've still got a long way to go you gotta fight, fight, fight to unite you get discouraged, about wasting time on a bunch of kids with simple minds but kids can grow and minds get smart don't be negative it's a start no one's forced you, you can leave it's not impossible if you belive we've got to learn from their mistakes not just fill up this vacated place now's the time long ago it's time to prove this ain't no show fight and lill and claw our way think we'll make a better day use your minds that's what they're for don't waste time trying to even the score
