

Chapter Four (Demo)

Avenged Sevenfold

(Conceived) Give me your hand (and born was one of light)
Blood is spilt and man will follow (Rain and dark)
Infernal man,(rain and dark, the other born black night) punishment too great to bear
Raise your head and taste
the courage (the one of light)
Fall from grace, unholy night
I've come here to kill you
Won't leave until you've died
Murder born of vengeance
I closed my brothers eyes tonight(Conceived) Give me your hand (and born was one of light)
Blood is spilt and man will follow (Rain and dark)
Infernal man,(rain and dark, the other born black night) punishm
Raise your head and taste the courage (the one
of light)
Fall from grace, unholy night
I've come here to kill you
Won't leave until you've died
Murder born of vengeance
I closed my brothers eyes tonightIt's cold tonight as the clouds turn gray
And from my hands to my brothers grave
You took his side, you took his gift
Feel the power of a fallen man, crestfallen manFar away in this land I must go
Out of the site of the One
A punishment sent from his hand
A hardship no one should know
Now go out of the site of the one
Away in this land you must go(Oh oh oh) Where has he gone? What have you done?
A voice commands from high above this earth
From the soil his blood cries out to me
Murder, liar, vengeance, deceit
