

Try Again

Big Star

Lord, I've been tryin' to be what I should
Lord, I've been tryin' to do what I could
But each time it gets a little harder
I feel the pain
But I'll try again Lord, I've been tryin' to be understood
And Lord, I've been tryin' to do as You would
But each time it gets a little harder
I feel the pain
But I'll try again
