So Still

Lou Doillon

You are so still
That I find myself racing aroundAnd you are so "always giving"
That's one starts to feel pretty unkindAnd you are so big in your lovin'
That I've never felt that smallSuch an ocean of love
That I've washed up on shore
Such an ocean of love
That I'm washed up on shoreAnd you're so light
That I find myself heavy with pastAnd you're so confused by all I do
That I'm a little lost tooAnd you seem so god damned sure about me
That's I'm going to prove you wrongSuch an ocean of love
That I've washed up on shore
Such an ocean of love
That I'm washed up on shore
