

Silence

Portishead

Esteja alerta para as regras dos trÃs
O que vocÃa dÃi, retornar para vocÃa
Essa liÃ§Ão, vocÃa tem que aprender
VocÃa sÃ³ ganha o que vocÃa merece
Tempted in our minds
Tormented inside lie
Wounded and afraid inside my head
Falling through changes
Did you know when you lost?
Did you know when I wanted?
Did you know what I lost?
Do you know what I wanted?
Empty in our hearts
Crying out in silence
Wandered out of reach, too far to speak
Drifting unable
