

An End Has a Start

Editors

I don't think that it's
Gonna rain again today
There's a devil at your side
But an angel on her way Someone hit the light
'Cause there's more here to be seen
When you caught my eye
I saw everywhere I'd been and wanna go to You came on your own
That's how you'll leave
With hope in your hands
And air to breathe I won't disappoint you
As you fall apart
Some things should be simple
Even an end has a start Someone hit the light
'Cause there's more here to be seen
When you caught my eye
I saw everywhere I'd been and wanna go to You came on your own
That's how you'll leave
With hope in your hands
And air to breathe You'll lose everything
By the end
Still my broken wings
You find time to mend More and more people
I know are getting ill
Pull something good from the
Ashes now be still You came on your own
That's how you'll leave
With hope in your hands
And air to breathe You'll lose everything
By the end
Still my broken wings
You choose to mend You came on your own
That's how you'll leave
You came on your own
That's how you'll leave You came on your own
You came on your own
