

# Circles

## Endo

Another circle  
We will make  
Another circle  
We takeIt's all a question  
To save the truth  
Another lesson we lose  
Ever since you went awayI dream about you every day  
And hope that peace will be  
The flame for you  
As we growWe will make it out of this  
Step by step we'll take them before us  
We will make it out of this  
We will overcome  
Love will save usIt's all a circle  
We will make  
Another circle  
We take  
It's all a question  
To save the truth  
Another lesson we chooseWe will make it out of this  
We will overcome
