See You At the Show

Nickelback

Crowds that scream at superstars
Where bouncers show their battle scars
I've been the first to sign on every wall
Down the road and round the bend
We pray to God it never ends
I've been, I've seen, we've screamed to everyoneWe'll see you at the show
If you don't come, we'll never know
You stand off in the back
You still stand out while you're wearing blackJump onto the bus
And ride around with all of us
We'll go out on the town
And light it up 'til we burn it down, burn it downAfter hours and alcohol
Every club, we've seen 'em all
As long as we don't need to stand in line
Party scenes and billboard dreams
The ladies love those limousines
We know they're gonna show up every timeWe'll see you at the show
If you don't come, we'll never know
You stand off in the back
You still stand out while you're wearing blackJump onto the bus
And ride around with all of us
We'll go out on the town
And light it up 'til we burn it down, burn it downCrowds that scream at superstars

We'll go out on the town

Light it up 'til we burn it down
You know we gotta light it up 'til we burn it down
Burn it down
