## Travis Scott

Come back, my darling one  
I'm calling on you  
The road ahead is long  
And I must warn you  
I wonder where did she go?  
If I failed you  
I tell you right now  
All I want you to know, I love you  
All I need is the time to show you  
Come back, my fallen son  
Don't let them fool you  
'Cause when the day is done  
They'll never move you  
Lay down your senseless pride  
(Got more than you)  
Put out your mournful tones  
I tell you right now  
All I want you to know, I love you  
All I need is the time to show you how I feel  
Feel  
Lay down your senseless pride  
You traveled once too often, yeah  
I tell you right now  
All I want you to know, I love you  
All I need is the time to show you, oh yeah  
You know, I love you  
All I need is the time to show you how I feel
