

Making Love out of Nothing at All

Air Supply

I know just how to whisper
And I know just how to cry
I know just where to find the answers
And I know just how to lie
I know just how to fake it
And I know just how to scheme
I know just when to face the truth
And then I know just when to dream
And I know just where to touch you
And I know just what to prove
I know when to pull you closer
And I know when to let you loose
And I know the night is fading
And I know the time's gonna fly
And I'm never gonna tell you everything I've gotta tell you
But I know I've gotta give it a try
And I know the roads to riches
And I know the ways to fame
I know all the rules and then I know how to break 'em
And I always know the name of the game
But I don't know how to leave you
And I'll never let you fall
And I don't know how you do it Making love out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all
Making love out of nothing at all Everytime I see you all the rays of the sun are
Streaming through the waves in your hair
And every star in the sky is taking aim at
Your eyes like a spotlight
The beating of my heart is a drum, and it's lost
And it's looking for a rhythm like you
You can take the darkness at the pit of the night
And turn into a beacon burning endlessly bright
I've gotta follow it 'cause everything I know
Well, it's nothing 'til I give it to you
I can make the runner stumble
I can make the final block
I can make every tackle at the sound of the whistle

I can make all the stadiums rock
I can make tonight forever
Or I can make it disappear by the dawn
I can make you every promise that has ever been made
And I can make all your demons be gone
But I'm never gonna make it without you
Do you really want to see me crawl
And I'm never gonna make it like you do Making love out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all
Out of nothing at all, out of nothing at all
Out of nothing at all, out of nothing at all
