You My Girl

Khia

The mistakes that I made in my life made me strong
Made me right, never wrong, keeps me writing my songs
'Cause I know, you my girl 'cause of you here comes me
Out your wound, duplicate just like you makes me sickJust in time, you my girl, you my angel, my world
Shining down at my life, got my back, don't think twice
When in need of your help if I'm wrong, got your belt
But only you Uesirah had respect for your jobAnd your heart and your soul and your house and your goal
To your friends and your kins even sick didn't quit
What's the thanks that you get for the time that you spent
Raising kids, paying bills, talking shit, paying rentBut I'm gon' shine for you girl, make you smile at me girl
Smile so bright like the sun, for your girls and your son
You my moms, I love you, I thank you for having me
Even gone, you live on, live through me, make 'em seeYou're my girl, when no one was there for me
You're my girl, when nobody cared for me
You're my girl, and no one can take that away from me
You're my girl, and even though you're goneYou're my girl, through me you still live on
You're my girl, you taught me how to be strong
You're my girlCalling up on the phone, just to talk, hear my voice
Talk so much, just like me, I talk you all night, have no choice
Telling jokes 'bout the kids, how they bad things we did
When I was young, having fun, me and y'all pulling stunNigawauna having fights, cuss us out, hit the lights
Had it all, thanks to you, extra strong, thanks to you
Take it all, thanks to you, standing tall, thanks to you
Glad I was picked for you, you my girl and it's trueI was mad when you left, didn't get a chance to see you go
Now you back, platinum strong, live through me make 'em know
I'm your girl, baby girl, and you did this for me
You my girl favorite girl, live through me make 'em seeYou're my girl, when no one was there for me
You're my girl, when nobody cared for me
You're my girl, and no one can take that away from me
You're my girl, and even though you're goneYou're my girl, through me you still live on
You're my girl, you taught me how to be strong
You're my girlOh, don't you know I miss you
I need you here with me
To walk with me and to talk to me
Oh yeah, all rightNow these words are for you, let you know I love you
With all my heart and my soul through these words
Let you know, lets them know, you my girl
No matter what, I'm your child and through me they can seeYou live on through my smile, through my kids, your grandkids

Through my will and your hopes, if I go out bless them off
Live through me, make 'em see, you my girl
(Don't you know)
You my girlYou're my girl, when no one was there for me
You're my girl, when nobody cared for me
You're my girl, and no one can take that away from me
You're my girl, and even though you're goneYou're my girl, through me you still live on
You're my girl, you taught me how to be strong
You're my girlYou're my girl, when no one was there for me
You're my girl, when nobody cared for me
You're my girl, and no one can take that away from me
You're my girl, and even though you're goneYou're my girl, through me you still live on
You're my girl, you taught me how to be strong
You're my girlYou're my girl, when no one was there for me
You're my girl, when nobody cared for me
You're my girl, and no one can take that away from me
You're my girl, and even though you're goneYou're my girl, through me you still live on
You're my girl, you taught me how to be strong
