Up All Night

The Young Knives

I got dressed up, up to the nines
I took a look in the mirror, I wish I was thinner
Then everything would be fineAt least I smell nice, so come on and breathe me in
Whats the point? Whats the point? Whats the point?
Whats the point? Whats the point? Whats the point?Cause everybody looks famous
And they've been wasting lots of time
Everybody feels special tonightIts a show down and its down to the wire
The faces so warm, so pale and drawn
The last ones to retireAnd if no one can manage a smile, well
Whats the point? Whats the point? Whats the point?
Whats the point? Whats the point? Whats the point?Cause everybody looks famous
And they've been wasting lots of time
Everybody is special in their mind's eyeOh, oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, ohNight, up all night, up all night, up all night
Up all night, up all night, up all night
Oh, oh, oh, oh
Up all night, up all night
Were not sleeping, we are staying up all nightUp all night, up all night, up all night
Up all night, up all night, up all night
Oh, oh, oh, oh
Up all night, up all night
Were not sleeping, we are staying up all nightUp all night, up all night, up all night
Up all night, up all night, up all night
Oh, oh, oh, oh
Up all night, up all nightRock bottom, rock bottom
You've hit rock bottom
Rock bottom, rock bottom
You've hit rock bottomCause everybody looks famous
And we've been wasting lots of time
Everybody is special in their mind's eyeOh, oh, oh, oh, oh
Oh, oh, oh, ohEverybody feels special tonight
Up all night, up all night, up all night
Up all night, up all night
Were not sleeping, we are staying up all night
