Time to Fly

Fu Manchu

Hidden behind my chevy's walls
-everytime
Thats where ill be.. thats wher I'm at
Im doing fine
And did you know? thats wher ill go
-im getting mine-Its time to fly
Its time to flyAnodized and gettin' wider
-streamlined-Its time to fly
Buh bye
Im gone
Blink of an eyeIts a roomy is what they tell me
-dynamite-
Got a tear drop and a diamond
A cats eyeIts time to fly
Its time to flyHalf a one..
Six of the other
-thats right-
Its time to fly
Bye-bye
Well I'm gone
Blink of an eye eye
