I Think I Love You

Debbie Sims

I'm sleeping and right in the middle of a good dream
Like all at once I wake up
From something that keeps knocking at my brain
Before I go insane
I hold my pillow to my head
And spring up in my bed
Screaming out the words I dread: "I think I love you!"

This morning, I woke up with this feeling
I didn't know how to deal with
And so I just decided to myself
I'd hide it to myself
And never talk about it
And didn't I go and shout it
When you walked into my room
"I think I love you!"

I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?
Though it worries me to say
That I've never felt this way

(Instrumental break)

(Artificial high-pitched female background vocal solo ad-lib)

(I don't know what I'm up against
I don't know what I'm sorry about
I've got so much to think about)

Hey, I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
Isn't that what life is made of?

Though it worries me to say
I've never felt this way

Believe me, you really don't have to worry
I only want to make you happy
And if you say, hey, go away, I will
But I think better still
I'd rather stay around and love you
Do you think I have a case?
Let me ask you to your face:
Do you think you love me?
I think I love you! I think I love you!

(I think I love you!) I think I love you! (repeat and fade)
