Pere Ubu

Oh

It was the first thing that I saw You never see that kind of Classical Girl

Understand

It was the first thing that I saw

That was fate

It was the ballistics!

No

It was a world

What a world!

What a world?

What a big world

But a world to be drowned in

It's just a joke man!

Another day?

Well

SUFFER

for that's the way of the west

SUFFER

Oh

Oh it's a joke!

It's a joke

Oh

It's a JOKE

That's a joke?

Hunh-unh
