

I've Got My Eye On You

Hans Zimmer

I know your scared
and i know what you'e been through
look in my eyes
can't you see i'm frightened too
so lets take one step at a time i won't give up
that's one thing i swear will be true
for its said by the wise
keep your eyes on the prize
and I've got my eyes on you its hard to trust
when you've been misunderstood
it's starting now
we'll be treated like we should
so lets take this ride til its true i won't give up
that's one thing i swear will be true
and i won't give in
i'm stronger than they ever knew
don't try to run
cause I'll just be there when you do
for its said by the wise
keep your eyes on the prize
and I've got my eyes on you
