Got A Bran' New Suit

Louis Armstrong

Got a bran' new suit
Got a bran' new tie
Got a bran' new twinkle in my eye
Do you know the reason why?
Got a bran' new girl
An' I won't dispute
She's the reason why I got a bran' new tie
An' a bran' new suit
When I'm with her
Gotta look my best
Put on my tan shoes
Gray spats, double breasted vest
Gonna wear my stickpin, a Tecla Pearl
With a bran' new tie
An' a bran' new suit
A bran' new girl
