Closer

Candlelight Red

With all the words I find in me,
I seem to be lacking the ones that I need
I'm finding the ground
I'm stuck to this floor
I'm down and I can't get down anymore

It's nothing, get out of your mind
You tell me time after time
It's nothing, it's nothing more
It's nothing, I can't live

(Chorus)
I'm alive, I'm alive
We're hiding behind all these faces
I believe, I believe
Tomorrow will be another chance at everything

Come closer, and watch me bleed
Come closer, and see what you've done to me

It's nothing, get out of my mind
I tell myself time after time
It's nothing, it's nothing more
It's nothing, I can't live

(Chorus)
I'm alive, I'm alive
We're hiding behind all these faces
I believe, I believe
Tomorrow will be another chance at everything

(Chorus)
I'm alive, I'm alive
We're hiding behind all these faces
I believe, I believe
Tomorrow will be another chance at everything

(Chorus)
I'm alive, I'm alive
We're hiding behind all these faces

I believe, I believe
Tomorrow will be another chance at everything

Come closer, and watch me bleed
Come closer, and see what you've done to me
