And your Instagram is begging for a Selfie,
Selfie Selfie Selfie Selfie Selfie Selfie,Verse1:
Quack, Hey you with the duckface,
Trying to be sexy looking like a nutcase,
In your underwear, with your bum out,
And your Miley Cyrus tongue out,
Tight top but I see no bra, Nipples poking out is that clevage?
Cant feel nice if you're doing it for likes,
Hell no, I dont believe it,
You haven't even brushed your teeth but you've hopped out of bed and are taking selfies?
You havent even cooked so your kids can eat, come on thats not healthy,
Taking pics in your bathroom mirror, Just to fit in,
Call me old school, But in my house the toilets for Shitting.You're feeling hot? You're feeling sexy?
