Ghost

Trouble Andrew

Bite my hand
After I made sure that you were fed
Won't speak my mind
I got chains on but no I ain't lyin
Won't steer that way
Bleed me dry and walk away
Ima walk my hand
I hope you find another chance

Now you're all ghosts to me
Ghosts to me
Ghosts to me
Now you're all ghosts to me
Ghosts to me
Ghosts to me

I took you in
Treated you like you were kin
Changed the plan
Will I forgive? I don't forget
Talk you talk
Ain't nothing new I've heard it all
Burn that bridge
Can't cross no more after this

Now you're all ghosts to me
Ghosts to me
Ghosts to me
Now you're all ghosts to me
Ghosts to me
Ghosts to me
