Doctor Jazz

Horace Silver

Hello Central give me Doctor Jazz
He's got what I need, I'll say he has
When the world goes wrong and I've got the blues
He's the guy who makes me
Put on both my dancin' shoesThe more I get, the more I want it soon
I see Doctor Jazz in all my dreams
When I'm in trouble bounds are mixed
He's the guy who gets me fixed
Hello central give me Doctor Jazz
