

Whatever They Do

Moa Lignell

It kinda hit me yesterday
That youâ€™ll grow up like me someday
But weâ€™re not yet there

It comes a time when you donâ€™t know
Only you know better
You make decisions on your own
(You will make it matter)
but weâ€™re still here

Chorus:

Whatever they do,
Whatever they say,
Leave it tonight and go your own way
And then youâ€™ll sing, youâ€™ll do your own thing.
Believe me when I say so,
I want you to know how things can feel
Keep you away from what is out there,
I wanna prepare you on whatâ€™s real
Youâ€™ll get by and get it your way,
Whatever they do
Whatever they do

I tell you almost everyday
(just how much I love you)
You just smile and walk away
(You know I hate you)
Weâ€™ll be fine

Chorus:

Whatever they do,
Whatever they say,
Leave it tonight and go your own way
And then youâ€™ll sing, youâ€™ll do your own thing.
Believe me when I say so,
I want you to know how things can feel
Keep you away from what is out there,
I wanna prepare you on whatâ€™s real
Youâ€™ll get by and get it your way,
Whatever they do (ah haa)

Whatever they do (ah haa)

Chorus:

Whatever they do,
Whatever they say,
Leave it tonight and go your own way
And then youâ€™ll sing, youâ€™ll do your own thing.

Believe me when I say so,
I want you to know how things can feel
Keep you away from what is out there,
I wanna prepare you on whatâ€™s real
Youâ€™ll get by and get it your way,

Whatever they do
Whatever they do

Whatever they do
Whatever they do
