They just want niggas to run jump and shootchorus:The game of life is a struggle to survive
We live to win cause if we lose than we dieverse 1:What's the word for the day homeboy

Payin rent on my crib so I can breathe
Life is not about the quickest speed
What you achieve
Come degree by degree
And what you get is what you see
In your mind visually
And manifest physically
If you stick to it shit'll work out terrificly
Take me, everyday my life be hectic and stressful
Never really know if im'a ever be successful
But the best things you get out of life require struggle
If it don't you gettin hustled homeboy

If your mind can preceive it
And your heart really believe it

word upVerse 2:
As a, black boy
Started out a bundle of joy
but quickly I grew playin with toys
Than you started makin noise as a youth
Tryin to figure out the truth

Behind the shit that the schools ain't tellin
First come rebellin, then come drug sellin
Juvenile court, 'cause you too young to be a felon
Knew that everything around you was yours
But you gotta maintain the game of wealth that the
World has in store
A wise man told you before
You got the power to bring things to life black boy
You can test it
Everything you see is just a thought manifested
But before you had a chance to know that
You got arrested
And it all seems clear to you know, you can breathe
It was different
When you couldn't see the forest from the trees
If you follow your dreams you can accomplish anything
If you always do your best then your destiny is king
