If your mind can preceive it  
And your heart really believe it

Tryin to figure out the truth

Behind the shit that the schools ain't tellin  
 First come rebellin, then come drug sellin  
 Juvenile court, 'cause you too young to be a felon  
 Knew that everything around you was yours  
 But you gotta maintain the game of wealth that the  
     World has in store  
     A wise man told you before  
 You got the power to bring things to life black boy  
     You can test it  
 Everything you see is just a thought manifested  
     But before you had a chance to know that  
     You got arrested  
 And it all seems clear to you know, you can breathe

     When you couldn't see the forest from the trees  
 If you follow your dreams you can accomplish anything  
 If you always do your best then your destiny is king  
 Of the world
